JUNONA LINE

TABLE OF CONTENTS

Please note that the quality and style of your kitchen depends on the form and colour of its furniture, while its functionality is provided by modules and their configuration. Three systems - Family Line, SEMI LINE and JUNONA LINE - are showcased in this kitchen catalogue. At the end of each system section, you will find the dimensions of the modules and the full range of bodies, countertops, and fronts.

FAMILY LINE

Of the three economy systems of family kitchen furniture, the Family Line is the most-complex and equipped. The variety of modules facilitate flexible combinations and constructions to be fitted to interior layouts. The wide range of colours for fronts, countertops, and bodies means even-more freedom of design.

The information provided in the catalogue does not constitute an offer within the meaning of the Polish Civil Code. All information in this catalogue are valid for the month the catalogue was sent to print (07/2019). The dimensions of the furniture might slightly change; in such cases, the updated dimensions of the furniture will be listed on the website brw.pl. All the dimensions are external dimensions (including the finishing). Due to limitations in the printing techniques, the colours reproduced in the catalogue can vary from the actual colours of the furniture and interior accessories. The decorations presented in the photos are not included in the price of the furniture. Most of the furniture presented in the catalogue is sold in boxes and need to be assembled. Only the correct assembly of the furniture, i.e. in accordance with the instructions, guarantees full user satisfaction. Individual products may be withdrawn from the range if they are no longer available from the manufacturer. The range of products available at individual sales outlets can vary.

Note: If you have finished perusing the contents of this catalogue, please don't throw it away. Give it to someone who will enjoy it. This way you will be contributing to the protection of the natural environment.
